

# Master of Applied Theatre Studies

You will be required to provide further documentation to support your application. You will need to provide a preliminary research proposal (approximately 500-800 words) which should include the following:

- Describe their proposed creative project for the Master of Applied Theatre Studies
- Include a rationale for the choice of creative work in the context of the overall research project and explain why this is significant; and
- Include a short reference list

Applicants are advised to discuss this proposal with the course coordinator before submission.
