Interview Application for the Bachelor of Advanced Science with Honours

Referee Report

NOTE FOR REFEREE

The applicant has named you as one of two referees in support of an application for the highly selective research-based science program, the Bachelor of Advanced Science with Honours degree. To assist the Selection Committee, please set out your views on the applicant's suitability for this innovative new program designed to stretch the abilities of high-achieving students. The Selection Committee is particularly interested in the following:

- how you would anticipate this applicant would cope academically and socially with direct entry into second year, i.e., bypassing first year units;
- how you would anticipate this applicant would perform if challenged with material of greater intellectual depth than normally given in an undergraduate degree;
- your opinion of the applicant's research ability or promise;
- how you would rank this applicant with his/her peers in the years you have been associated with students at this level.

Any further comments you have on the suitability of this applicant for the Bachelor of Advanced Science with Honours degree would be gratefully received.

The report is requested from you and, if supplied, received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The report will be disclosed only to those immediately involved in the selection process.

- 1) The name of the applicant: _____
- 2) In which year(s) of the applicant's student career have you known him/her and in what capacity or capacities (eg. class teacher, careers adviser, principal)?

- 3) Please attach a brief report on the applicant to this questionnaire. Please send this questionnaire and your report by 30 November to:

**Faculty Manager, Faculty of Arts and Science
University of New England NSW 2351**
