<b>Personal Details</b>			
Family Name: _____		Given Name: _____	
Student No:	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	Flat No:	<input style="width: 40px; height: 20px;" type="text"/>
		Room No:	<input style="width: 40px; height: 20px;" type="text"/>

<b>Ethernet adapter address</b> (Resident to complete – see reverse side for assistance)				
<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	o	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	o	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>
Specifications of PC: _____				
Peripherals: _____				
Software: _____				

<b>IP address</b> (Office to complete)						
<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	o	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	o	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	o	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>

**Conditions of use of Austin College IT facilities.**

1. All use of the college facilities must be in accordance with the published IT policy of the university
2. All computers are required to run a current virus scan programme.
3. It is the responsibility of the resident to have licensed software programmes on their own personal computer.
4. It is the responsibility of the resident to configure their computer to communicate with the UNE network.

**I have read and understood both sides of this application, and I accept these conditions for the use of Austin College IT facilities.**

**Signature** \_\_\_\_\_ **Date** \_\_\_\_ / \_\_\_\_ / \_\_\_\_

*Office use*

Date application received	____ / ____ / ____	Payment received	<b>yes / no</b>
Date request sent to IT	____ / ____ / ____	Database updated	<b>yes / no</b>
Date IT responded	____ / ____ / ____		

## IT requirements for computer use @ Austin College:

1. **At least Windows 2000 Operating System.**

2. **Appropriate Network Card.**

*(A network interface (Ethernet) card will need to be installed in the computer, and a Category 5 Unshielded Twisted Pair cable (at least 3 metres in length), will be needed to connect to the data connection in your room.*

3. **Current licensed software and disks if required to network etc.**

4. **Registered and current virus protection software that is updatable**

## Austin College does not supply the following services:

1. **Software Support**

2. **Installation of hardware in PC**

3. **Repair of computers or peripherals**

**IT IS YOUR RESPONSIBILITY TO CONFIGURE YOUR COMPUTER TO COMMUNICATE WITH THE UNE NETWORK.**

## To obtain your computer's adaptor address for the following operating systems:

### WIN ME

Start  
Run  
Type in - winipcfg

### NT / 2000

Start  
Run  
Type in command  
ipconfig /all (nb: there is a space between g and /)

### NOTE

Your adaptor address will be made up of 12 characters, for example 00-7D-88-6F-00-7C.

The address "44-45-53-54-00-00" is not the correct address. Please remember you must have a network card installed.

### WIN 2000 and XP

Start  
Run  
Type in - Command  
Type in - ipconfig /all (nb: there is a space between g and /)

### MAC

Apple talk  
Control Panel  
TCPIP  
File  
Get info  
Hardware Address
