3. BEHAVIOURAL MISCONDUCT

All Colleges pride themselves on offering harmonious and supportive environments where a fundamental respect for the beliefs, feelings, person and property of others is of the utmost importance. Responsibility for maintaining such an environment rests with each one of us. Consideration for others is expected at all times and students need to be aware that any undue pressure on, disturbance of, or harassment of, others will be viewed seriously by the Colleges and the University.

To assist students who may be uncertain about their rights and responsibilities, a number of people are available to offer help inside and outside the UNE Residential College. Please refer to your Head of College, College Officer or Student Leader.

The fundamental respect for other people's beliefs, feelings, person and property is a basic value, which this University upholds. You do not have to suffer in silence or feel threatened in any way. Your rights will be respected as you are expected to respect the rights of others.

The Head of College and staff fully appreciate that the Colleges should provide a 'living and learning environment'. Selfish acts which endanger or inconvenience individuals will not be tolerated. Any behaviour that impairs the freedom of other persons to pursue their studies, or to participate in the life of the University or the residential colleges, is not acceptable.

Students are expected to respect the rights of other Residents in accordance with paragraphs above. In addition to the other provision of Section 3, any conduct which is inappropriate, disruptive or anti-social to the residence community or the University, as determined by the Head of College, or designee, is unacceptable and constitutes behavioural misconduct.

3.1. USE OF COLLEGE NAME

The College forms part of UNE and the local community, hence its good name is seen as a vital part of the College's standing in these communities. The Name of a College cannot be used without written approval from the appropriate Head of College. This includes items such as stickers, posters, clothing, and any publications which include the name of the College or any recognisable sub-section of the College. Residents wearing College tops or symbols must behave at all times in a manner that reflects well on the College.

Residents must behave in a manner that does not cast a 'bad light' upon a College by:

- a) respecting the right of neighbourhood families to courtesy, privacy and quiet;
- b) obtaining approval from the Head of College for any publication that has reference to a College, including its floors, blocks, courts and associations;
- c) not being involved with the production of any offensive material that refers to a College, its floors, blocks, courts and associations;
- d) using authorized College logos/brands to promote, and not bring disrepute to, a College or the University; and
- e) using any UNE logos, names or brands in compliance with UNE policy found in relevant sections of the current UNE Handbook.

3.2. PRIVACY

Each resident is entitled to privacy and the safety of their own property. Residents must:

- a) only enter another resident's room if invited and leave when asked. An exception to this rule is the entry of staff and authorised contractors for cleaning and maintenance;
- b) respect other students' property or room; and
- c) be careful not to impinge upon another resident's privacy.

3.3. HARASSMENT

Harassment is any form of behaviour which is unwelcome, unreciprocated, and usually (though not entirely) repeated, which makes the situation unpleasant, humiliating or intimidating for the person who is the target of that behaviour. Harassment can be sexual or may arise from discrimination on the basis of gender, race, disability, sexual preference or other unwelcome behaviour.

Some examples of harassment are:

- comments, insinuations and questions about another person's sexual conduct or private life
- intimidating or demeaning comments or behaviour
- sexual jokes, offensive phone calls or messages sent by post or electronic means
- displays of obscene or pornographic photos, calendars, pictures, posters or objects
- persistent unwelcome invitations
- discriminatory remarks or actions
- attempts to coerce others into behaviour which may later cause distress
- inappropriate comments, photos, identity theft on the internet.
- Racial vilification.

Sexual harassment is unwelcome behaviour, which may comprise, but is not limited to, any of the following:

- kissing, touching, fondling
- making lewd or suggestive gestures or remarks
- watching or besetting a place of residence
- posting offensive messages, photographs or pictures
- initiating unwelcome phone calls
- any other form of behaviour calculated, or otherwise, that makes a resident or staff member or affiliate or guest associate of the College feel uncomfortable or intimidated.

<http://www.une.edu.au/policies/equity.php>

3.3.1 Harassment of any kind will not be tolerated and will be subject to disciplinary action. Should you feel the need to discuss issues of harassment with the Head of College, College Officers, Student Leaders, SHAPES representative or Equal Opportunity Advisor, the matter will be dealt with in strict confidence.

- 3.3.2** Reporting incidents of harassment to the Head of College will result in an initial investigation within the college. If the harassment is deemed to be of a more serious nature, or in the case of alleged sexual assault, the Head of College will refer the matter to the Director, Residential System.
- 3.3.3** In cases of alleged assault, where a person is in immediate medical or physical danger, and/or the behaviour to which they allege they have been subjected constitutes criminal behaviour, the Head of College will be bound to recommend to the resident that the matter be referred to the Police for investigation.
- 3.3.4** The investigation by the Head of College is an inquisitorial rather than an adversarial process. The Head of College is not on the side of any party to the complaint and owns neither the complaint, nor the witness for or against the allegation/s.
- 3.3.5** In cases of serious harassment or alleged assault (3.3.2 and 3.3.3) where both parties are residents of the same college, the Head of College will temporarily relocate both parties to other Residential Colleges. This is to provide safety to limit community involvement in the alleged case and to provide natural justice for both parties.
- 3.3.6** On completion of the referral process (**refer 3.3.2**) the Head of College will adopt any recommendation/s. If there is no recommendation/s, both parties will be permitted to return to their original College.
