

James Ruse Agricultural High School

Water Watch Team

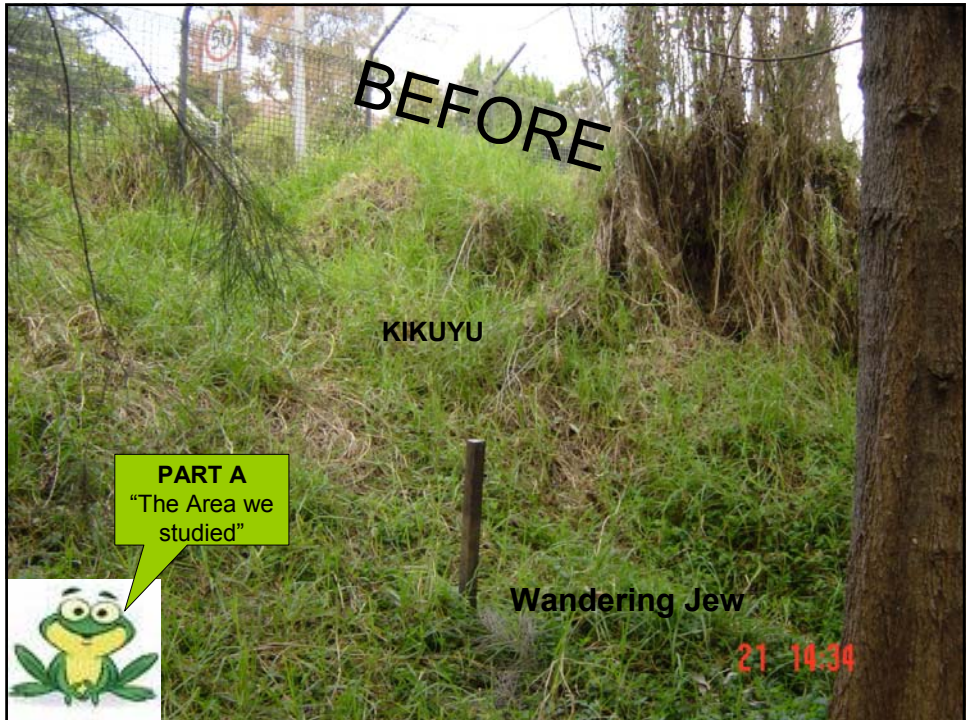

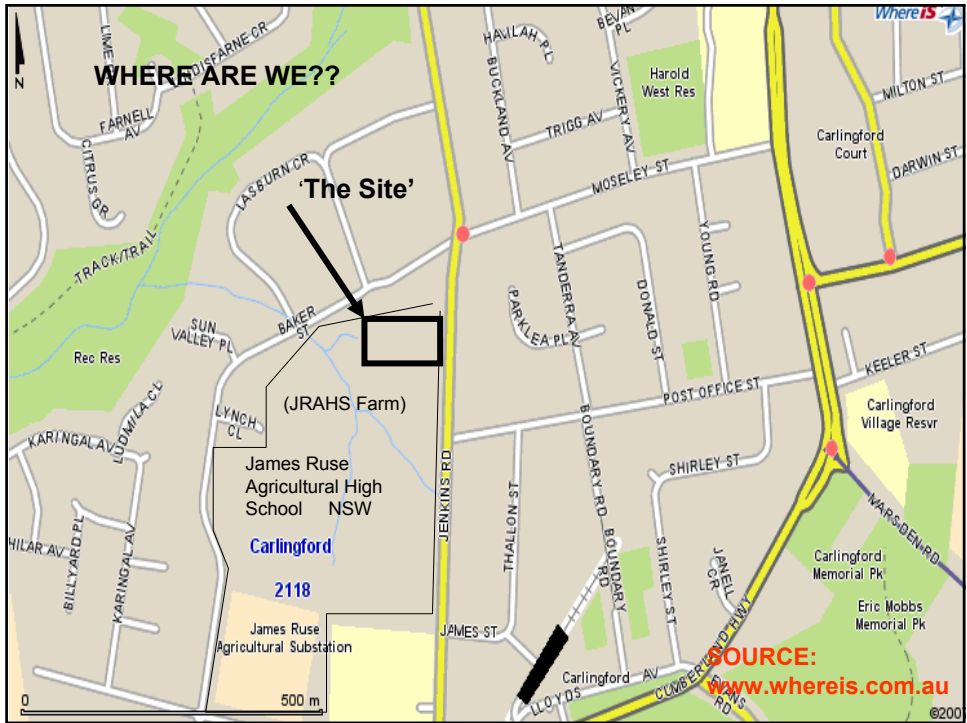

Please click on me every
time I appear I will take you
on a journey of weed
destruction and habitat
rehabilitation.....

WHO ARE WE??

Waterwatch is an extra curricular school group who meet most Monday afternoons. We test the water quality from two stormwater outlets in Carlingford which run into Hunts Creek. We have around 20 members who are keen environmentalists.

9 13.13

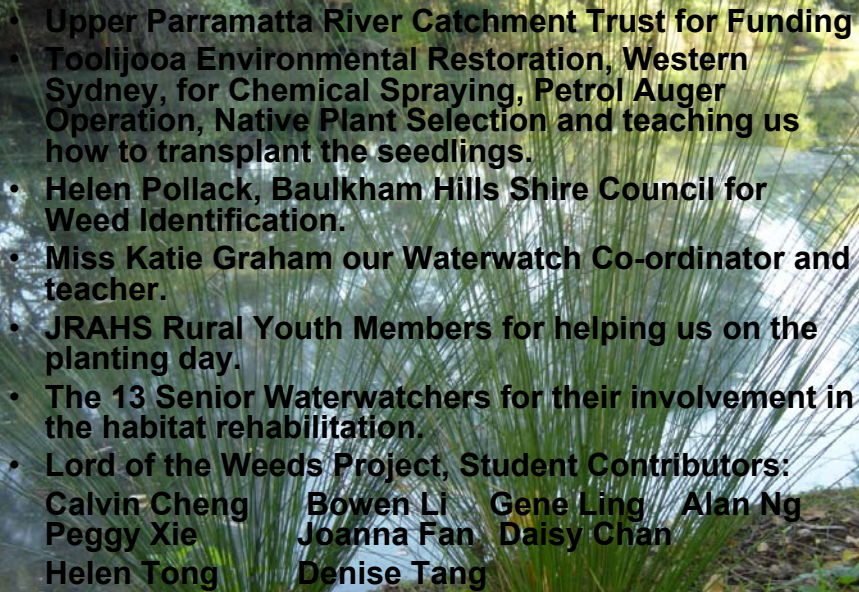

- 
- Upper Parramatta River Catchment Trust for Funding
 - Toolijooa Environmental Restoration, Western Sydney, for Chemical Spraying, Petrol Auger Operation, Native Plant Selection and teaching us how to transplant the seedlings.
 - Helen Pollack, Baulkham Hills Shire Council for Weed Identification.
 - Miss Katie Graham our Waterwatch Co-ordinator and teacher.
 - JRAHS Rural Youth Members for helping us on the planting day.
 - The 13 Senior Waterwatchers for their involvement in the habitat rehabilitation.
 - Lord of the Weeds Project, Student Contributors:
Calvin Cheng Bowen Li Gene Ling Alan Ng
Peggy Xie Joanna Fan Daisy Chan
Helen Tong Denise Tang
