

Dear Applicant

Thank you for your interest in one of the graduate entry teaching programs at the University of New England. In *Section 2* you are required to nominate if you are applying for the Bachelor of Teaching (Primary).

In *Sections 3 and 4* you are required to nominate the secondary school discipline area(s) in which you **intend** to teach and are **qualified** to teach.

How do you know whether you are qualified to teach in a primary school or secondary school discipline area or not?

Overarching Guidelines: Secondary

Applicants' undergraduate (and appropriate postgraduate) studies must include study in a designated area related to a school subject (first designated area), as follows: a minimum of 6 sequential semester-long units of discipline knowledge in a designated area (equivalent to a minimum of three academic years of study in the designated area), and at least 4 of these units at level 2 (year 2) or above (hereafter referred to as a 'major' as per the New South Wales Institute of Teachers (NSWIT) definition). A second designated area, if studied, requires 4 units with 2 units at level 2 or above. For overseas applicants, in cases where Australian studies are specified for admission to a graduate entry program (eg Australian music), determination may be based on equivalent qualifications.

Applicants' undergraduate (and appropriate postgraduate) studies must permit study of at least 24 credit points in curriculum methods units, with the exception of students who undertake 12 credit points of study in curriculum methods units in Computing or Agriculture only.

Applicants who are 12 credit points short of meeting the prerequisite for a specific curriculum unit may be permitted to enrol in that specific curriculum unit provided they enrol concurrently in the appropriate prerequisite unit or units. All prerequisites for specific curriculum courses must be passed prior to or concurrently with the Graduate Diploma in Education or Master of Teaching (Secondary) candidature.

Curriculum Specific Guidelines for First Designated Teaching Area

Aboriginal Studies (HSIE): Major in Aboriginal studies in areas such as contact and Aboriginal history, anthropology, Aboriginal literature and Aboriginal language and linguistics.

Agriculture: A major in agriculture in an area such as agricultural science, agricultural technology or horticulture, and including studies of plants and animals, animal care, agricultural enterprises and chemical safety.

Business Studies/Commerce (HSIE): Major in business related studies, including at least one unit of finance or accounting, and one unit of business management and remaining units drawn from business law (Australian/English), economics, human resource management, industrial relations or marketing.

Computing:

Computing Technology Information Systems: A major in computing or computing technology including at least two units that develop skills in information and communications technologies and information systems eg database design including relational databases and communication systems/networking.

Computing Technology Software Design: A major in computing or computing technology including at least two units that develop skills in the design and development of software eg programming in a computer-based language and system analysis, design, development and testing.

Drama: A major in drama including all of the following: performance, production and theory, and preferably Australian drama. Drama studies must be developed as a discrete discipline. Vocationally oriented courses are not recognised as equivalent.

Economics/Commerce (HSIE): Major in economics

English: Major in English with at least 3 units of a strong core of textual studies including literature. Other units may include studies in: communications, creative writing linguistics and media studies.

Geography (HSIE): Major in geography

History (HSIE):

Ancient History: Major in history in areas such as ancient history and archaeology.

Modern History: Major in History in areas such as Australian history, contact and Aboriginal history, early modern history, historiography and modern history.

Languages: A major in a language. Where the language is an Aboriginal language there may be specific cultural requirements.

Legal Studies (HSIE): Major in social sciences including legal studies

Mathematics: Major in pure or applied mathematics (must include algebra and calculus). One unit only of statistics may be counted provided it is studied as a stand-alone unit.

Music: Major in music, including all of the following: musicological study (music history and analysis) in a range of musical styles, periods and genres with a strong component of contemporary and western art music, compositional techniques and music performance studies (a minimum of two years of music performance studies, and preferably Australian music. The study of music and music practice must be developed as a discrete discipline. Vocationally oriented courses are not recognised as equivalent.

Science

Biology: Major in science of four units in biology and two units in one of chemistry or physics

Chemistry: Major in science of four units in chemistry and two units in one of physics or biology or earth and environmental science.

Earth and Environmental Science: Major in science of one unit in biology and one unit in geology or environmental science and two units in chemistry or physics and two other science units.

Physics: Major in science of four units in physics and two units in one of biology, chemistry, or earth and environmental science.

Society and Culture (HSIE): A major in social science in areas such as Aboriginal studies, anthropology, archaeology, Asian or Pacific studies, civics, cultural studies, government, history, media studies, philosophy, politics, psychology (only one unit may be counted), religious studies, social communication and sociology (at least one unit preferred).

Studies of Religion (HSIE): Major in social sciences in areas such as studies in religion (preferably comparative religions) and culture.

TESOL: Qualifications in another discipline as per above and four units in linguistics. Two of the units may be English or a language.

Visual Art: A major in visual arts, including all of the following: practical studies in 2 and 3 and/or 4 dimensional art forms, art theory/history (a minimum of one year) and studio art making practice (a minimum of one year). The study of visual arts must be developed as a discrete discipline. Vocationally oriented courses are not recognised as equivalent.

Overarching Guidelines: Primary

Minimum study in a relevant undergraduate (and appropriate postgraduate) degree/s is determined as 8 units of discipline knowledge related to Key Learning Areas (KLAs):

- EITHER one full academic year (two semester units) of study in four key learning areas;
- OR two full academic years (four semester units) of study in one key learning area and one full academic year (two semester units) of study in two other key learning areas.

Applicants who are 12 credit points (two units) in additional discipline areas may be permitted to enrol provided they enrol concurrently in the appropriate prerequisite unit or units. All prerequisites for discipline areas must be passed prior to or concurrently with Bachelor of Teaching (Primary) candidature.
