Hellriegel, D., Slocum, JW., and Woodman RW., 1992, *Organisational Behaviour*, 6th edition, St Paul, West Publishing

This book will help inform students of the attributes of effective teams and help in developing templates to use for in-class assessment and student projects. One such template appears in the resources here and can be used half way through a team exercise to allow students to apply any understandings revealed through the exercise.

Hurst D C & Thomas J 2004, Developing Team Skills and Accomplishing Team Projects Online Ch 8 in *Theory and Practice of Online Learning* Edited by Terry Anderson & Fathi Elloumi, Athabasca University, Canada
