Dear Colleagues

Since the last une-official on 1 July 2009, good progress has continued towards the resolution of Enterprise Bargaining, with negotiations at UNE continuing to be well in advance of the University sector generally.

UNE will shortly provide 'Without Prejudice Final Settlement Offers' to the CPSU and the NTEU for two new agreements, and subject to the approval of the University's Council, such documents will contain an offer of pay rises of 4% per annum for four years commencing on 30 June 2009. This pay offer will be subject to various outstanding clauses being agreed by the CPSU and by the NTEU.

For information, a letter was sent to the Vice Chancellor by the NTEU dated 15 July (<http://www.une.edu.au/hrs/eb/letter-nteubargainingteam-15july09.pdf>) and the University has responded in a letter dated 17 July (<http://www.une.edu.au/hrs/eb/letter-pettigrew-17july09.pdf>).

The University will advise you shortly by way of future une-officials of the details of the 'Without Prejudice Final Settlement Offers' and draft new Agreements.

With best wishes

Professor Graham Webb
Deputy Vice-Chancellor
