Accommodation:

International Exchange Students must apply online for accommodation at https://residences.une.edu.au/StarPortal/Default.aspx. You can only apply for accommodation AFTER you have received your official offer letter from UNE and returned your Offer Acceptance Form and OSHC Payment to International Marketing and Pathways. Try and apply at least two to three months before the semester begins, as some colleges/flats fill up quickly and please send a copy of your application details to the International Office (by fax or email is fine). If you make alternative accommodation arrangements off campus, make sure you forward of copy these details to International Marketing and Pathways for our files.

Academic Units:

Please select units offered in the semester(s) when your exchange will take place (Semester One – **S1** or Semester Two – **S2** or both). Please choose on campus (**ON**) units (off campus units are taught by distance education, not in a classroom). The complete list of UNE units can be found on the website at: <http://www.une.edu.au/courses/>.

* Please include a *complete* university transcript and a list of classes you are currently enrolled in.

* Please include a *complete English translation* if the transcript is not in English.

* Please list *two extra* units, as alternatives, in case not all of your first choices are available. Exchange students can study a minimum of three and a maximum of four units each semester.
