### **Library Catalogue**

Search for books and journal titles. Perform keyword searches. Look at Moodle to search for resources across all formats, including journal articles.

**Legal Databases:** <http://www.une.edu.au/library/resources/guides/law/databases.php>

### **Legal Online:**

**Laws of Australia** (encyclopaedia of legal principles)

Look at the title *Aborigines and Torres Strait Islanders* – expand the contents by clicking on the + sign next to the heading

**FirstPoint** (access to case law)

Look at the title *Aborigines* > click on the + sign to expand contents > Look under the heading *General*

Also look at the title *Constitutional Law*

Click on the Home tab and type in the search box *federation “rule of law”*

### **Other databases**

**Informit:** > Scroll down and select Informit Plus Text Databases and click on Continue. Type in *“rule of law”* in the first search box, and *federation* in the second search box and click on search.

### **Legislation:**

#### **ComLaw**

The Constitution

*Australia Act 1986*

#### **Weblaw**

Constitutional Law
