Library Catalogue

Do a keyword search for “breach of contract” and look at the results of book titles.

Legal Databases: <http://www.une.edu.au/library/resources/guides/law/databases.php>

Legal Online:

Laws of Australia (encyclopaedia of legal principles)

Look at the title 7. Contract: General Principles – expand the contents by clicking on the + sign next to the heading > Look at 7.6 Breach. You can use additional terms to narrow your search.

Look at 8. Contracts : Specific – expand the contents and look at 8.8 Government Contracts. Again you can narrow your search by adding additional terms.

FirstPoint (access to case law)

Look at the title > Contracts - click on the + sign to expand the contents

Click on the **Home tab** and type in the search box *termination for breach of contract*

Look at the results.

Other databases

Informit: > Scroll down and select Informit Plus Text Databases and click on Continue. Type *breach of contract* in the first search box, limit to full text documents. Do a second search for *termination*. Combine the two searches by typing in *#1 and #2* in the search box and click on Search.
