## LECTURER IN URBAN GEOGRAPHY/PLANNING

### *Discipline of Geography and Planning*

*School of Behavioural, Cognitive and Social Sciences*

#### **DUTIES:**

We seek an effective team player who can contribute to teaching and research in urban geography and/or planning, and complement and strengthen existing programs in the discipline. The appointee will teach into the geography stream in a range of degrees, including one of Australia's leading urban and regional planning programs. The successful applicant will conduct teaching and research in urban geography and/or planning.

#### **SELECTION CRITERIA**

##### **Essential:**

Applicants will:

- have a PhD (or have submitted a PhD thesis) in urban geography, planning or related field;
- be research active relative to opportunity;
- have a capacity for, and commitment to, the development and delivery of high quality coursework curricula;
- demonstrate effectiveness in undergraduate teaching; and
- demonstrate ability to contribute to teamwork in teaching and research.

##### **Desirable:**

- corporate membership of PIA or eligibility for such membership.
