West Court News

Hey Pals,

What a great start to the year. West Court is thriving in 2006, everyone is following the West Court credo 'Just Get There' and awesomeness and keenness levels are high. The W.E.S.T (Western Environmental Sustainability Team) gardening committee has huge plans for the courtyard garden.

Our first function is coming up in a few weeks, the JTR will be hosting a massive night in West Court so stay tuned. We are very proud to have the Robb Social Points leader in West Court at the moment. Cookie has been putting in the hard yards at Devils and college functions as well as developing a very close bond with AAA, and is currently leading on 9 points.

West Courts form this year is wicked sick, so keep up the good work!! Just Get There!! Cheers Lach.

North Court News

- Please keep your beds off the floor!! Do not unscrew the legs from them or you will be punished!!
- First years please keep off the balconies, we are looking out for your safety!! Plus it is a privilege to be on those balconies, you have not gained your brownie points yet!!

The thriving metropolis of North Court has had a healthy mix of nightlife goers yet all seem to be keen students during the day time.

Numerous storms passing through the northern part of college have proven trying to those rooms subject to bad weather. Forecasts for the next week are showing a reduction in storm activity.

North Court this year is seeing an influx of quality residents, all putting in a fine effort on

the college social scene. Keep up the keenness and stay on top!!

Peace out Hardy.

South Court News

South Court is seeing an enthusiastic tide of party goers!! But folks please remember to keep the noise down when you come home from the pub.

Its autumn now down south and looking forward to all the colours it brings. Sunday the 12th of March there will be gardening in the morning and punch in the evening. So everyone come play in the garden.

Looking forward to South's first function of the year, South Court Cocktails on Saturday the 1st of April, so keep this weekend free in your diaries!

Catch you on the flipside. Maz

Tip Of the Week

Do not wash your towels with your clothes or they will get fluffy bits all over them. Also, make sure you wash lights and darks separately...red undies will turn other clothes pink.

Upcoming Events

This is an EXTREMELY important dinner as the Chancellor of the University will be attending. So please be on your best behaviour and follow the formal dinner traditions.....if not, you will be punished with instant house committee!!

- FRESHER MATCH- Netball down the netball courts @ Sport UNE. Wednesday night. Get down there and support out girls, guys especially since there was great support in the rugby fresher match. So go on and get down there, we wanna beat the choppers!!!

Lookout, There are Thieves About

Many if not all of you out there are good, honest folks but unfortunately there have been thefts in the college and large sums of money have gone missing!! Please keep your windows closed and locked when you leave your rooms, I know it's annoying to always lock your doors but unless you have nothing to steal, it is a worthwhile effort to keep them locked.

Within in North Court there was a large sum of money stolen, anyone with information on this incident please come forward to the front office or any of the resident fellows, or if you like, write an anonymous letter. Any help on this matter is greatly appreciated.

Rugby Report

Last Saturday 20 boys traveled away to play in the annual Tamworth 10s tournament, the day consisted of a round robin comp, playing three pool games plus finals. The day started a bit rusty with a close first game, but the dodger came through with the goods on the bell.

During the second game, Hammertime's illusive flair was shattered after his mundane stick figure demeanour was carried off the field with a strong southerly wind, consequently breaking his collar bone. OUCH! The Happy man is yet to smile after his defeat in the weekend fight involving his

cheekbone and an opposing players knee cap.

After many hours working on strategic game plans at Tatt's the night before, the sparse injuries and hangovers were not to slow the Robb lads down. With their skills improving throughout the day the boys landed a spot in the Plate Final, the end result was a success, winning the plate and some extra money for the club. The oversized ashtray is currently residing in Penny's Love Den also known as Cecil's Tutorage for Little Boys.

Special mentions go out to Sam Hart, Albert Capel and Carpo who stepped up and played well.

Also last Saturday evening both New England grades played Central North. The under 20's came out victorious due to Lach Tarantino preferring to watch Central North rather than participating in the main event. Unfortunately the Opens went down faster than a hungry fresher. Yet again the zone has allowed women to play rep footy but thankfully the only ovaries on the field belonged to the sprocket mouth winger.

Seven of our peers are trekking through the desert to play Western Plains in Bourke. Good luck to these boys and also to the Under 20s who are rolling down the hill to play the Mid North Coast.

Make sure you all pay your subs or you will feel the wrath of Hardy if he is not too busy eating Peas, Candy or other White delights.

Not arrogant, just better than the rest.

Quote Of The Week

Its not a single, great, heroic deed that defines who you are. It's the little things you do day by day that counts.
