Clean Up Australia

As most of you were aware, Clean up Australia day was on Sunday. It was a huge success, with over 30 Robbers helping out on the day. We cleaned up the park behind the Ex-Services Club, where we found ample rubbish to fill 30 bags. As a result of the day, our photo will appear in the Armidale

Express this week. We were the only college to participate. Congratulations and thanks to everyone who helped out. It was much appreciated.

Hannah Marriott.

SFK News

Hi Guys! I would like to advise you all that the first SFK event for 2004 is Public Speaking, which is to be held (at this stage) on the 16th March. As this is the night of our academic dinner, Robb is pushing to have the date moved to either the 15th or 17th March.

The event requires one Robb College member or affiliate to prepare and deliver one five-minute speech on any topic they wish, and then be prepared to perform one two-minute impromptu speech on a topic selected by the SFK Convener and the SFK Representative of the host college (Mary White).

Look forward to speaking to you,

Cary Gardiner

MB Cricket

What a fantastic turnout for cricket! The ladies had a spectacular game with the bat. Scotty top scored with 22, with golden ducks scored by Heidi and Hannah. With the ball, Mentos, Heidi, took wickets and Scotty, but the highlight of the day was the fielding efforts. Zoe performed an amazing run-out, and Kylee spent all game throwing herself all over the paddock.

Netball

Trials to be held this week. Watch the notice boards for details.

PT Cricket

An interesting game on Sunday saw Earle Page make 245 runs against an eager Robb side. The chase saw a top score of 6 to Stevo, with Frankie getting the only boundary of the innings. Robb were all out for 23.... however we will field a full strength Rugby side when we next meet Page on the Rugby field!!!!

New England Rugby

A tough day out against Central Coast, saw New England going down in U/20's and Opens. However, it looks to be a great year for Robb Rugby, with Chucky Hollingsworth, George White, David Hardier, Red Rosebay and Hugh Palmer looking good in the U/20's. 1st grade looks strong again in 2004, with Andrew Roseby, Francis Fanifo, James Roberts and Drew Dunlea all lining up for New England.

Soccer Update

We need girls to play mixed or women's soccer. The first game for mixed is on Tuesday 6.40. We need 4 more girls to field a mixed women's team by Friday. See Mentos, X 1915 for details.
