All undue disturbances will be dealt with by the House Committee. There will be no tolerance. Please ring 1700 if you are being unduly disturbed during the curfew period.

MB Badminton

In a performance that matched China's Olympic efforts, Robb finished undefeated in MB Badminton. With MB coming down to the finals few rounds, lets all get behind this fantastic effort.

Women's Soccer

After three rounds, the girls have had mixed results. The first game against Page saw a late 1-0 win. This was a very positive game, considering that Page is one of the top teams. Since then, there have been two losses against Duval and Austin. However, with a few trainings, Robb can become a contender for the title. Players, please remember that \$30 subs are due ASAP.

Robb Production

Anyone interested in this years production is urged to attend a meeting this Thursday night at 7.30pm in the JCR. Suggestions on what to perform should be brought up at the meeting. Just come along and support this idea in its early stages.

SFK Small Music Ensemble

Ahoy Hoy! A big thank you to everybody who came to SFK Small Music Ensemble last Wednesday. It was great to see so many people there supporting Robb! Our placing on the night was disappointing to say the least, and I will be following it up at the next SFK meeting. Our placing aside, thank you to the band: Lucy Amos, Davo Brown, Frankie Fainifo, Mike Farrell and Jay Murray, we know you guys played hard and, to quote Davo, "went off like a frog in a sock".

Next term will see the final three events: debating, poetry and short story and performance.

Robb Rugby Report

The weekend saw Robb travel away to Kempsey Andrew 'UBD' Roseby was helpful yet again with his precise and accurate ground information. The extra 40km traveled by everyone as a result of his intellect or lack there of, was very much appreciated by patrons who wished to see more than a padlocked gate. The day's proceedings commenced with the Colts game. The Colts were already at a disadvantage when John "the tin man" Newton felt that Will Macsmith needed assistance with making baby noises in the depths of the WC dungeon and decided not to make an appearance. Colts forwards dominated from the outset of the game and the backs used this to their advantage in the first half. Tight forwards such as Red, Wragge and Chuck all had good games despite the lack of support from Keeley who was in Toowoomba where he is the main suspect in an ongoing investigation. Colts went on to win the game 20 – 7 in a much improved performance. Stoz, Capel, Hammy and Boyd all had excellent games.

Seconds

Once again the mighty seconds showed why they are the form team of not only the club, but in the competition as they are still undefeated. Seconds never looked like losing even though they were missing a number of key players. Mike 'Lloyd' Tyson was under the impression the entire day that the Kempsey forwards were leading a conspiracy against him and decided to try and massage their faces with his knuckles whenever the opportunity arose. The onfield banter between the two fat wingers fighting for a run on position came to a peak after the game in the McDonalds queue when Rude thought Cummo pushed in front of him. The scene escalated to the point that the two of them were put off their meal, almost.

Reconciliation was observed later on that evening as they were spotted consuming a cooked chook together reminiscing about their glory days. Second's success can be contributed to Ben "Churchill" Leys whose pre game speeches can solely be attributed to the team's success, according to Ben. End score 49-3 Darber, Tommo and Lloyd all had great games.

Firsts

First Grades skirt wearing, flower sniffing antics continued this week when they were beaten soundly by a Kempsey team who were imported from West Kempsey retirement village for the match. Kempsey's token islander had a field day as Robb's own wingman felt a peculiar urge to abandon his post and play for the worst and ugliest team in the Central North Comp. Robb's backs forgot how to tackle yet again and the forwards seemed to confuse applying lipstick with cleaning out. Now out of contention of the Arthur Tonkin Shield Robb firsts will hopefully find some much needed form before the New England Zone Competition begins next term.

Next week the club travels to Port Macquarie.

Netball

Robb netty had another impressive performance on the weekend. With all 4 grades that played coming through with wins, Robb now is on track for 6 finals appearances. In a great effort from all those involved, at the half-way point of the season Robb's position on the ladder is as follows:-

A Grade-	= 1 st
A Res 1-	1 st (Undefeated)
A Res 2-	2 nd
B1 -	1 st (Undefeated)
B2-	2 nd
Social	1 st (Undefeated)

The Scores for the weekend

A Res 1 34 defeated Albies 17
B1 42 defeated Mary White 5
B2 37 defeated Mary White 10
Social 37 defeated Duval 6

Although there is no game over the long weekend, there will be training this week. There is 1 more round this semester on the 19th June. Keep training hard.
