## SFK

Congratulations to Chucky for his 3<sup>d</sup> placing in the first SFK event, Public Speaking, held last Monday at Austin. He did a great job, especially having stepped in for Robb College at the last minute. Thanks to those who came over to support him.

The next SFK competition is 'Art & Craft'. We need 2 entries in each of the following categories; photography, painting, drawing, mixed media (basically anything else or a combination of categories), and craft (including sculpture, woodwork, leatherwork etc).

If you are interested in entering, see Lucy SC52 X1782. Submissions close April 29<sup>th</sup>.

## Heads Down, Bums Up!

Just when we thought we were settling into college life ... the damn term is about to end on us!!! So as the partying continues to flourish and the hangovers grow to maximum intensity ... so too do the end of term assessments!!! It's now crunch time Robbers, which means slowing down the partying and getting on with your school work. I hate to harp, but failing subjects coz you are a rum scullin legend really isn't as cool as some warriors make it out to be. Remember ... No Pass, No Robb Ball!!!

**Beach Day Slide 20/3**

## Rugby Report

The Armidale Knockout on the weekend saw Robb Rugby assert its dominance over the local competition. Entering both 1<sup>st</sup> and 2<sup>nd</sup> teams, one team was always going to struggle against other 1<sup>st</sup> grade sides, but our 2<sup>nd</sup> s held their own better than expected. Our league ring-ins Stoz and Hammie did a good job directing traffic up the middle while Angrious Rude, looking to reseat himself into the 1<sup>st</sup> grade wing, proved way to hot to handle outside (and is fatter this year than anyone could have expected). The 1<sup>st</sup> grade side produced some good rugby throughout the weekend. Well done to veteran Gall for playing all games up front and Coota for not being sent off. After been drug kicking and screaming from the confines of his upper North den, Hannes managed to produce some respectable footy. Its good to see Happy developing a step (albeit into big New Guineans) and not so good to see George ‘Snapper’ White in plaster. Well done all players for helping bring home the Consolation Plate and thank you to the ladies and non-players for the support on both days. Squads are now being selected for start of season so be at training – 4:45 in courtyard.

## MB

The girls went extremely well in cricket last weekend with wins against Duval and Mary White. Well done to all who participated.

Over the weekend MB water polo was on. The girls performed extremely well, winning four out of the six games played. They were unfortunate losses however the girls played aggressively and defended well. On Monday night, Selinia Fernnamore and Kate Eveleigh ran the 10km. Both ran well with Selinia coming 3<sup>rd</sup> and kate 4<sup>th</sup>. Well done to all girls that have participated in MB sports this term, we have some really great results
