## **Message from the SRF**

Welcome back Robbers

I hope everyone had a great holiday and is ready to get into some serious study. With exams sneaking up, please take advantage of the great academic support Robb College offers.

Term one was a great success and the freshers have proved to be a lively bunch engaging in all Robb and UNE has to offer.

I thought I should give a short summary of term one; we had a guy set on fire, a guy that thinks he can fly, 2 freshers banned from the Newie in O-week, about 15 wet beds, 6 ambulances, 2 phone calls from cops, a fresher who proved his pole dancing skills aren't as good as he thought, a lot of cross dressing, 4 broken windows, a broken fat box and 6 incident reports from the Stro.

Highlights from this term include; a guy fell off a bus-14 stitches, Schnitzel has developed a taste for sea monkeys, JP called Kate three times a day in the holidays, a 3<sup>rd</sup> year SC resident felt it necessary to wet someone else's bed, NC Luncheon was oozing with romance and chivalry and Muz and Hufton have finally mad it official.

“You make my life a little adventure”

All in all it was a great term but everyone knows the rules and it is time to settle down. I hope everyone is enjoying Robb College and that it is starting to feel like home for the freshers.

Cheers Lynese.

## **Presidents Report**

So far this term it's been great. Although exams are getting close social activities haven't exactly come to a close. Chis did a great job for 'The Dollar for Dylan Cause' raising a total of \$289.40 from college and \$400 with Sportpower. Good onya Chis!! Murray's new Wii has been allot of fun for all, nearly as much fun as Bob Scott had with Patty Hartons. Some Affiliates took things into their own "HANDS" at this years North Court. Juanita was deemed second after the Raines came in the prior Wednesday, that never stopped our little Gringo, Go Cyril Go.

### Rugby Report

We had a great start to the season with third grade monsterring the opposition highlights include Mustards kicking game and Wardys headstrong running Robb 24- 12. Second grade went down in a close match Horse staring. First grade had a good start and the halftime time score was 16- 17.

Next week we traveled down to cousin kissing country in Dorrigo. We managed to prevail in the dying moments with a try to Skinny but according to a certain "ring" leader the game was then won by the prettiest Five eight in the comp moments later with a drop goal for inside the twenty-two. Then in the dying seccombes a member from Robb put a dog shot on Dorrigos under 16 representative (after Hamish Cato's better judgment intervened). The bus trip had it's moments it was a "bloody" good time. Good luck next weekend sorry JP your parents are going to find out your not captain of firsts.

### Hockey Report

For the first time in years Robb has fielded a girl's hockey team. The team has had a good start to the season with one win and one loss with all team members putting in a great effort. The hockey girls headed up to Guyra on Friday night and attracted some interesting locals and Gem won two meat trays! Thanks to Kate Stanford who's pulled everything together-it's going to be a fantastic season.

### Netball Report

The 2008 season for Robb netball kicked off 2 weekends ago. This year we have 5 teams entered, with one more competitive team than last year. Its really good to see some new faces, and we've got quite a few girls that havent played before. The enthusiasm has been great for the first 2 rounds, with 3 out of 5 teams coming away with a win in round one, and 2 teams in round 2. Good luck to everyone for the forthcoming weekend, in which every team is taking on Albies. Lets get em!!

### **PT Report**

Currently we are coming 5<sup>th</sup> in PT but only twenty points behind the leaders Duval and D&S. Thank you to the boys who came down and played soccer on the day of north court luncheon. If we can win the next couple of events we will almost win the Presidents Trophy. We have Touch this weekend so if we can get as many boys as possible down to Sport UNE we should clean up.

### **MB Report**

The year has kicked off to a flying start with Robb girls leading the MB comp. by 6 points!! Highlights of last term include Canoe Polo, the 'dream team' including the likes of the Cooko's, Brookie, Eddie and Anna Louise came out on top after many battle's on the violent seas of the town pool.

The following week continued the trend of extreme sports where Fresher's Jessie made her debut on the Climbing Wall. Many thanks must go to newcomers Mel Wheeler and Brogan Amos who ably lead a tremendous soccer team the first weekend back. The team played their hearts out to win most games.

Last weekend was fun and games as we pulled up our socks and hit the NERF field hard. A huge bunch of girls climbed out of bed that morning for their chance to deck many a girl to the ground. Blood, sweat and tears were shed that day with L. Hufton and Harriet showing the girls how it's done.

Congratulations to Simone Andrews who has been voted to be Robb's MB assistant. Go Simo!!!

A big thankyou must go to all the regulars who turn up each week to have a go, you guys know who you are. Those who haven't had a crack yet – come out for some fun and a good laugh!

*Keep up the good work,  
Spot Dog*

### **Bra art**

Breast cancer is the most common invasive cancer amongst Australian women with 13,261 diagnosed in 2006 alone. This is expected to increase to 14,818 per year by 2011.

This term Robb college Women's sport have been raising money for breast cancer through the inspired endeavour of bra-art. Over 100 Robb college members, staff and SCR members decorated bras which were judged on Friday the 9<sup>th</sup>. There was a great diversity in creative expression from lollies to chickens with feathers to bear cans. The winner this year went to Dimity Martin, whose bra was thoughtfully created with jewels and lace and conveyed the significant messages of the incidence of breast cancer within families and friends. First prize was a gift voucher donated by Hannah's. The consolation prize of a jar of pineapple jam went to Sam Hart with his "saggy breast" creation. The bras will be on display at the art show this Friday the 16<sup>th</sup> for all the parents to view.

I would like to thank every one who decorated a bra, as there were some fantastic designs and exhibits.
