Welcome Back!

Hi Robbers! Hope you all had fun times over the hols and are ready for a cranking term 2. With so many functions on this term, it's going to be hard not to go nuts! Bare in mind that yes you are here to do your degree, so don't be afraid to be a nerd now and then and hit those books. Now that all my Robbers are relaxed and refreshed from holidays, I look forward to seeing you all out there and giving the activities ahead a real go. There's so much to choose from this term, from MB and PT to Art and Craft, you'll have to come up with a pretty creative excuse for not having a crack!

Quote of the Week

It reminded me once again that to truly to lead one's people, one must also truly know the people.

Rugby

Rugby games this weekend v's Albies, Four teams to play. First game kicks off at 10.30am at Bellvue Oval. A bar and BBQ will be on site.

Intercourt Debating

The Buffet dinner on Tuesday night was a huge success – and mighty tasty I might add! The debates between the 3 courts, oh yeh, and the affiliates, brought to light a barrel of laughs and broadened our vocabularies spectacularly. Very impressed with all debater's use of the old dictionary and somewhat cheeky anecdotes.

Congratulations to Vinnie and Steeley for whimsically wording their way through to the next round of the public speaking comp. We are all proud of both of the boy's performance – who knows, we may all start drinking more beer and cut around on undersized motorbikes to fit the 'Sinclair Steele Stereotype', or follow Kelvin's lead and keep on doing what we do best – whatever weird and wonderful stereotype Robb may encounter, the coolest part of all is that we are indeed Robbers!

Thanks for a top night everyone and I hope you are all looking forward to the other activities that lie ahead, and get amongst it!!!
