Message from the SRF

HEY ROBBERS

This year has been great! The participation and energy is unreal. The results last semester, as you know were amazing so keep it up and there will be lots of gold bars given out at the next academic dinner.

A lot of stuff is being broken, please try and control yourself and your friends as we have had about \$3000 worth of damage in the last 2 weeks. At the end of the day it is your money that's paying for it and it means less kegs, buses and parties.

We have some one in college with sticky fingers, please keep your doors locked we have had \$1000 stolen just this term.

Silly season is now nearly over so its time to put your head's down and bums up. Study hard and be good to your mum.

Cheers,
Lynese.

Presidents Report

Hello and welcome back for what going to be another great term in Robb College. As you can see there is a bit on this term from the release of the updated functions for this term. As exams as not far off make sure you use your spare time wisely. People are still owing money on their subs so please get that final money in. To remind you this money pays for things like Austar up in the JCR, newspapers which most people use, cutlery in dining hall, and the little things that get broken around college. So please get you money in! Also the JCR Annual General meeting is coming up on the 23rd of October, come along and have your say.

Cheers,
And remember,

North Court News

Its been a quite few weeks in the for North Court not much has happened, but on a lighter side the fat box is going so everyone hookin before it goes. The freshers look particularly disgusting with their new haircuts special mention to Blue. Everyone be sure to get ready for the awesomeness that will be North Court day which should get the testosterone pumping with V8 Day, beard growing comp and Casino Night all rolled into one. Rugby Report

With the rugby season coming to a close at the end of last term we managed to make the preliminary finals in Firsts and Seconds with Thirds facing Albies in the grand final. Unfortunately the boys were unlucky to go down but they all played there hearts out. The presentation night was a great success with everyone enjoying themselves. I think that Robb Rugby is in a strong position next year and we will continue to grow and prosper. All of your jumpers can be brought now so come and see me in room 8A in the glory court. Lastly I would like to thank all the players, the social committee, ladies auxiliary, my committee, Emma-Louise, Fordy, Georgie, Jono, Coota, Mick and Gus all all your help this year.

PT Report

Hey everyone, not much to say about PT at the

moment. We are currently coming 5th out of 8 colleges and one town team. The best part is that albies are coming 6th and are 22 points behind us. Thanks to those boys who have been getting out of bed on cold Sunday mornings after footy and a night out. We also had two great wins in the Run/Swim and Hodson relay.

Thanks everyone

Home Run for Robb Girls

So far this term we pulled up equal third in Basketball, a big thankyou to the big group of girls who came down to support and strut their stuff. Good work Linda who played every game and thanks to Jenny who put her thumb out of line to secure a win for Robb.

Lawn Bowls at the Armidale Bowling Club was a great success with Libby Hufton being drafted onto the Olympic team for 2012. The girls lead ably by Emma Wollen won 4/6 games. Well done girls.

We had the **Run-Swim** last week and were able to take the win and therefore highest points. This put us one point behind Earle Page but unfortunately we were unable to beat them in the Hodson relay.

Thanks to all the girls who had a go this year, we were unable to get the trophy, however we gave it a good go.

Thanks

Annual Robb Ball

On the 9th of August Robb College hosted its annual Robb Winter Ball. This year the ball was proudly named the Robb College "Cops & Robbers" Ball. The weekend began with the netball and rugby on the Saturday. We were unable to secure a win against St Albert's teams, but all teams put up a courageous fight. The ball night proved to be a successful one. More then 500 people attended the function, and was also noted that 400 + safe sex items were dispersed to the incoming crowd. The Sunday morning saw the beginning of the famous Robb Ball Recovery. This event was

held at the Tattersall's Hotel. It was awesome to see most people back up for recovery, who which had a great time. We would like to thank Jonno Symons Robb Committee for making this weekend possible, and also to all the foreigners who made the trip to the great place of Robb College.
