

Robbers Newsletter

Edition 5 , May 18th 2005

IMPORTANT

Please hand in your completed electrical tagging forms into the office by Friday 20th of May!!! The electrician is coming in to do everyone's tagging all at once so it is vital that all forms are in by this date!

Support Robb

Over the past week or two, it has become very clear that all my Robbers are having a whale of a time this semester ... obviously coz you all just luuuurve Robb College!!! So how about giving your college a helping hand by donating something for the Parent/Student Ball Auction!!! You can be as imaginative as you like (so long as it will sell for some good dollars!!!). For instance, over the years many generous families have donated their holiday house for a weekend or so, and a bunch of Robbers all pitched in to spend a week with their mates in someone else's house!!! So go on guys, think of something to donate and get back to Hannes or Matty ASAP!!!

Also, in the light of supporting Robb, please don't forget to head down to the netball and rugby games on Saturday ... this weekend never fails to deliver sporting excitement and tends to bring out the animal in some parents!!! Oh yeh, and in case you have all forgotten, our college colours are indeed green and white, so wear this colour combo loud and proud ... and yes ladies, pom-poms are permitted (hint hint !!!).

Quote of the Week

The person who takes a chance . . . who walks the line between the known and unknown . . . who is unafraid of failure, will succeed.

Rugby Report

Last week/weekend yielded success on most fronts of Robb Rugby. The spectacle in the city mall saw Robb Green & White caress their bales of wool over the line for an enchanting 1st and 2nd, being the fourth year in a row. It was good to see the winners get the prize money **and** a six pack to ensure their efforts were not wasted. On the weekend the Colties came to grief, despite a late surge of points. The game saw Coota attempt to emulate the success of a fellow player from the week prior by using his skull to attack the opponent's knees. Working hard, Boydie has managed to unseat 'Maddog' Cox as Chuck's main attacking tool, while Stoz's passes were likened to catching a leaf in a whirlwind. They were unlucky to go down by two points. Green Opens captain cranky Timmy B had City running for the hills with his angry antics and Gibbo managed to trip onto the ball in the oppositions in-goal, scoring by default twice. Capel played well, but characteristic wheezing grunt of Rude with the ball at full noise was enough to send the crowd into a chanting frenzy as he crossed twice, scoring once. With every try the Open Whites put on City another balloon of confidence and ego of theirs was popped. Dancing like a ballet queen, Huften the Fat \$%#* Turkey (aka FAT) and little Fat Cat made a mockery of their inside defence. However, flying centre Palmer was run down on several occasions by his arch rival leopard like Josh Lawrence. The day was not without casualties, with star quarter back Jamie busting his shoulder and Steele running like a butterfly into a brick wall of City defense. David Browns fairy like performance at not point helped the white team to secure a win last weekend. All players and spectators should be preparing for a HUGE weekend against Albies this Saturday. All of the boys make sure you go down and support the girls at the netty. Good luck to all teams this weekend. *Calvin Meatball – Robb's Rugby Man*

SFK Report

SFK Art & Craft results were announced on Thursday, with Robb coming in at 5th Place. A big thank-you to Grub, Janelle, Chloe, Scotty, and Tom Marriott for their high quality entries! Congratulations to Scotty for her 3^d placing in Painting and to Tom 'Maz' Marriott for his 3^d placing in Craft. Most of these pieces will be on display at the Parent/Student weekend Art & Craft Exhibition, so make sure you get into town and have a look at Robb's creative talent!!!

The next SFK event is Small Music Ensemble on Friday 27th of May. The band will be performing in this comp at Lazenby Hall, so please keep a few hours free for this night – it was a huge success last year and we're hoping to move up on the SFK score-board with this event! We are currently on 14 points, with 3 colleges only 2 points ahead of us.

I have put up posters regarding Theatre Sports around college for the 4th & 5th of June. All who have participated before have had a great time, so if you'd like more info please see me ASAP!

PT Report

We had AFL on the weekend and unfortunately lost the first game by just 2 points to Drummond & Smith and had a forfeit from Wright Village who where last seen hiding in Claude Street shaking in their boots at the sight of our buffed Robb team!!! Thanks to all the boys for getting out of bed for the early start.

Next weekend we have another 4 AFL games with the first at 9:30am. Don't worry, I have looked at the draw properly this week!!! There is also athletics scheduled for this weekend. See Laura or myself if you are interested in participating.
