MB

Strong opponents met the badminton girls last weekend but strong performances from our side kept up the pressure. Congratulations go to Hannah Marriot Ness and Ash Stewart for their wins, but thanks to the fresher trio Joss Zoe and Allana, Simone Shannessy, Rooster and Campbell for their efforts.

Parent Student Weekend Roundup

How was that?! What a ripper of a weekend for the Parents and Students of Robb! I am sure you will all agree that the entire weekend went tremendously, and I hope that everyone's parents enjoyed it just as much as mine ... Judging by the number of parents having a 'shimmy shimmy' on the D Floor, I dare say they all had a cracker!!! A big thank-you to all involved in the organisation of all the activities held as they were a huge success. Special thanks must go out to Grub and her tireless team of Ball-coordinators without which the party may never had started ... and continued to rock-on so triumphantly!

Another special thanks must go to Chloe Davis who had a record turnout at the stunning art exhibition. Chloe's efforts have far outshone any of those in previous years, having already sold at least 10 exhibits!!! Congratulations to Tom Marriott for receiving an award for his work, demonstrating his ever-present 'creative' side ... Onya Maz!!!

Thank-you to all who participated in the weekend's sporting events. You all put on a charming display of Robb talent and provided engaging entertainment for the spectators, as well as provoking some much needed 'friendly rivalry' ... I know my voice is still recuperating!!!

SFK

The SFK Small Music Ensemble was held last Friday at Lazenby in front of a packed house!!! A big thank-you and congratulations to Davo, Dougie, Tina, Dave, Mike and Guy (and Lucy!!!) for their fantastic performance. Unfortunately our efforts were not rewarded (again!). I am looking into having

amendments made to the overall marking criteria and selection of judges to adjudicate these types of competitions for SFK in the future. The final outcomes are as follows; 1st = Earl Page, 2nd = Duval, equal 3rd = Mary White & Drummond, 5th = Austin, 6th = Albies, 7th = Robb.

We were thrilled with the number of Robbers who came to watch, so thank-you for your support and interest and the positive feedback. We hope to be playing at Tatts soon ... We'll keep you updated!!!

Theatre Sports is on the 4th – 5th of June and we are still in need of a team of 6 people to participate. The weekend consists of a workshop run by a professional theatre-sports coach from Brisbane and the competition follows the workshop on the Sunday night. It's a great opportunity to bring out your acting skills and have heaps of fun.

As we need to finalise a team soon, please see me for info ASAP. Thanks!

PT

Parent Student weekend was very busy with both athletics and AFL. Thanks to everyone who participated in athletics, with rugby commitments as well! Hammer came 3rd in the 1500m whilst Mike and Swoop both did well in the 100m. Mike ran a 12.06 run. Whitey showed his roots coming 4th in javelin and Davo came 2nd to Drummond's import in the shot-put.

On Sunday we had AFL where we won 2 games and lost 1. We are currently in 5th place on the PT ladder, so keep it up boys and lets get climbing!!! There is touch-footy on Sunday starting at 9am, so those who are willing to participate call me on 1800!!!
