Robb Rugby

After the confusion to the majority of the female population of Robb as to why the 2003 New England grand final had to be replayed, Robb was able to field 3 grades against The Armidale Rugby Union Club last Saturday.

Colts were the first cab off the rank under the leadership of one Andrew Campbell who was thankfully able to seek a conditional release from his tightly binding contract with

grub. Colts performed seppuku (Japanese for ritual suicide) by allowing Armidale to score early on numerous occasions. The 2nd half saw a change in referee and a change in the outcome of the match, with colts tightening up their defence, but unfortunately the damage was already done. Great games were had by a less restricted Campbell, the hard hitting and heavy talking brick with eyes- Brad Haling, and Robb Rugby's new Revlon man, Kila. Score: 34 – nil. (Armidale won)

2nd grade was the most complete performance by any Robb team. Strong work through the forwards set up a relatively easy win for Robb College. This was reflected in the try scorers; Toby Nugent, Andrew Gibson-egged on by his less than pleasant smelling fans, Anthony Meurer and Ben Leys. Quote of the day also came from the inspirational second rower, Leysy, “Snelly can you re-strap my shoulders, they are so sore from carrying the rest of the team”. Great games were had by all, especially Jay Murray, in an effort to win back his lady in waiting, also picking up 3 points. Murray Amos got 2 and Timmy Bryant got one. Well done to second grade.

1st grade was an exciting match with Robb College coming from behind to record a gutsy performance. Armidale appeared to have the game at 20-7 but then Robb staged a comeback through Tim Cameron running on to a well weighed,

Andrew Roseby kick. What resulted was a comeback that should sound the bell that Robb is a serious contender for the Arthur Tonkin shield. This was not a great performance from Robb but the determination ensured a far from elegant victory. Andrew Roseby played a captains knock keeping a cool head, and well-manicured crop of hair. Points went to George White who got through a mammoth of work, the ever hard working Drew Dunlea got two points and Hardie who together with white has a combined IQ of 15 got one point. Thanks for all the support and remember it's a home game next week!
