## **SFK Small Music Ensemble**

It time for a live music spectacular. After the concert in South Court on Sunday, the band is hitting some fine notes.

The band members, Frankie, Davo, Jay, Lucy and Mike will be turning it on Wednesday night, at Austin College, for the SFK small music ensemble. We all need to support the band. Lets all get into our Robb gear, and support our college.

## **Robb Rugby Report**

This weekend Robb travelled away to Coffs Harbour. The day started well with Roseby's mistranslation of the Spanish directions that he had sourced. The games started off with the colts matching up against a Coffs team whose squeaky voices at times drowned out the refs whistle. Despite Coffs lack of testosterone, they managed to intimidate Robb colts in the opening phases of the game. Robb, however managed to put a performance together that can be best described as piss weak as they escaped with a lucky 10 all draw. Chucky returned to an arena where his jokes are appreciated with a less mature audience. Hammy at times seemed to confuse the game of rugby with that of twister, as some of his rash decisions would indicate. Colts will need to lift their performance in the coming weeks if they expect anyone at college to speak to them again.

Seconds, the form team of the club, appreciated A Rude's return from his keeper's bedroom. This resulted in an early try but Coffs soon struck back with a few quick tries. The game was turned on its head again when an obese, big bird stalking, man of low intelligence managed to find the ball in his hands and then as the crowd watched on in slow motion he managed to make his way 95 metres to the try line in the same manner as would a wounded dairy cow. Robb put their seal on the match with a quick succession of tries to the Lebanese Dairy Farmer and Jay 'the thief' Murray. The final score being 34 – 15 in favour of Robb.

First grade saw a red faced G. Hoddle running on, not from a the gag in the program, but due to the fact that he completed the pre game warm up for the first time this season. A close first half saw limited attacking opportunities for Robb with no one posting points.

Hoddle's pre match diet of 8 sausage rolls and a cold meat pie didn't change the fact that yet again he packed scrums like an arthritis riddled old woman. Hoddle sneezed at halftime resulting in 4 busted ribs which has thankfully earned him a few weeks on the sideline. Coffs ran away with the game late in the second half with a final score of 24 – 0. Robb firsts need to pay more attention to the game than Hoddle does to a cars fuel gauge.

Next week sees us travelling away to Kempsey.

## **Netball**

It was another fantastic performance from the netball girls on the weekend. The girls managed 5 wins, in another demonstration of Robb's dominance on the netball court.

**A Grade** had a win over Drummond 31-19. The team is beginning to work well as a team, in the capable hands of Sal Healy.

**A Res 1** are becoming stronger each week. So far, they are the competition favorites, with convincing wins in all 4 rounds played. They defeated Drummond 35-16.

**A Res 2** lost a close game with St Albert's, 28-22.

**B1** are showing their fine form, winning 20-5.

**B2** had a close game with Albies, but came out on top, 14-11.

**Social** had another win 28-14, over town.
