

GUIDE TO UNITS OFFERED BY SCHOOLS IN DISCIPLINE/SUBJECT AREAS

- The first part of this document contains an alphabetical listing of unit code prefixes, the related discipline/subject area and the school.
- The second part of this document has this information sorted by school.
- To search for units, type in the Code Prefix into either the Units Search field and click on Search or the Quick Search Unit field and click on Go. A full list of the units with this Code Prefix will be returned. Please note that if the Code Prefix occurs in other unit titles or descriptions, these will also be returned.
- To search for units at particular levels (eg 100-level, 200-level, 300-level), type in the Code Prefix followed by either 1, 2 or 3 and all units with the Code Prefix at the particular level will be returned.
