

Tight games in water polo comp

CLOSE games were the order of the week in the fourth round of the Services-UNE water polo competition.

On Monday night, Town Snappers combined well to beat EPC Magpies.

A lack of players didn't deter Snappers as they scored 10 unanswered goals with Jason Kentwell, Damien Smith and Sally Bristow scoring.

Drummond Smith beat Robb Green 2-1. Both teams fought hard with the scores 0-0 at the end of the third quarter. Steve Swinsburg broke the deadlock by scoring two goals for Drummond Smith.

Mary White College

and Robb White battled to the end in a close game resulting in a 4-4 draw.

Charlie Hutton played an excellent game scoring all of Robb's goals, while Jared Kelleher, Michelle Lim and James Heath scored for MWC.

Tuesday night's games were also close. Duval had a narrow 8-6 win over TAS-PLC Mullets. At half time the score was 5-0 in favour of Duval, but Mullets fought back with goals by Beatle Wilson, Alex Doyle and John Goggins. Casey Kelly played an outstanding game for Duval scoring half of their goals. Martina Coutts, James Alexander and Kelwin Mackay also

scored.

In the second game, TAS-PLC Trouts and Albies 1 were 1-1 at half time. Both teams scored in the last quarter, however, Albies won 4-3. Matt Watson and Natasha Purvis scored for Trouts while Tim Lewis and Deirdre Bourke shared the goals for Albies.

Penguins played a good defensive game against EPC Butcherbirds, limiting their scoring opportunities, resulting in a 6-2 win to Penguins.

Sarah Bowman was the only Butcherbird to slip past the Penguins defence, while Penguins' goals were shared between Angus Adair, Stephen Bennett and Martha

Smith.
