

Exam day planner

Mark in all your exam details in columns 1 and 2. In column 3, think very carefully through the strategies you will use on the exam day. Practice them so you will be able to apply your strategies under the pressure of exam conditions. Remember that timing, question analysis and planning outlines are important strategies.

Details checklist	Exam format	Exam day strategies
<ul style="list-style-type: none"> ○ Start/finish time ○ How long? ○ Place ○ Value? ○ Must have.... 	<ul style="list-style-type: none"> ○ Perusal time ○ Exam details ○ Allowable materials ○ Time per mark 	<ul style="list-style-type: none"> ○ Using perusal time ○ Answering questions ○ Timing strategy
