## Information for the willing.....

This exciting new social canoe polo competition that has now been held for two successful years will be held again at the 4 star **White Albatross Holiday Resort** at Nambucca on the North Coast of NSW. The resort surrounds an emerald blue lagoon with sandy beaches and a tidal breakwater for calm clean waters. This is our playing field to enjoy for the weekend.

Games will commence on Saturday morning at 10am and continue throughout the day until we're truly laid back. Followed by a social BBQ and drinks with some very relaxed presentations on Saturday evening at the Resort. Further social games will be played on the Sunday depending on numbers and "enthusiasm".

Costs to be incurred are a donation towards the prizes, drinks and BBQ to be provided on the Saturday evening. This will be around \$15. Other transport and food costs will be your responsibility.

Accommodation can preferably be booked at the Resort and ranges from waterfront camping sites for \$29 up to luxury waterfront villas for \$155 per night. The resort is offering a 10% discount for all bookings made under the "canoe polo group". Sounds too good to be true?! What could be better than stumbling out of your spa or sleeping bag and into your kayak for quick game of canoe polo.
