IRON ORE

Jolleen Hicks
Graduate Government Relations & Approvals

Your journey Your career.

Rio Tinto is experiencing incredible growth. So is the entire state of Western Australia. To be part of the boom, be sure to check out our current vacancies for Aboriginal graduates and professionals.

Rio Tinto Iron Ore have opportunities for residential and fly in/fly out positions based in Perth and regional locations. We can offer you an exciting career with ongoing professional development, helping you to reach your career aspirations.

All roles require a strong commitment to safety and efficiency, the flexibility to meet new challenges and work in a multi-disciplined team.

In addition to stimulating work, security, and excellent career prospects, you will enjoy profit share schemes, medical benefits, career development, flexible work practices and much more.
