

UNE STUDENT NURSE COMPLIANCE DOCUMENTS

Students must be verified through both UNE InPlace and NSW Health ClinConnect by week 8 of their first trimester to be eligible to proceed to placement. You must also remain and continue to be compliant for the remainder of your degree.

UNE's WIL Data Management System

All Students will have access when enrolled to UNE's web based placement workflow system - [InPlace](#) (link imbedded)

The following mandatory documents are to be uploaded into InPlace for verification

- **Australian National Police Check - (Name and Date of Birth Check)**

Suggested Companies to get your National Police Check:

[Police Check](#)

[Service NSW](#)

[Aust. Federal Police](#)

*Do not use just Aged Care or your work details as the purpose for applying for a NPC

- **Working with Children Check**

[Working with Children Check -Service NSW](#)

* Free application online and pick up at a NSW Service Centre

*Note: WWCC is only uploaded into Inplace. (Interstate students can delay the application until they travel to NSW for intensives). *Being interstate will not interfere with achieving compliance.*

- **COVID19 Compliance – No longer mandatory but highly recommended**

*Evidence available from your MyGov account and your Immunisation History Statement

*Noting- *although NSW Health no longer have Covid19 vaccination as mandatory, once allocated a placement - please check your facility pre-placement instructions in case your facility still require this vaccination*

- **Current -Yearly Influenza vaccination**

*Evidence available from your MyGov account and your Immunisation History Statement

- **Mask Fit Test**

(testing locations listed in [MyLearn](#))

*Required for all High Risk Wards

- **Student collection of sensitive information**

*An agreement within InPlace, please read over the question and answer

- **Completion of UNE Mandatory Activities**

MyLearn -Professional Education Practice (PEP) Student Agreement

*This is available in the Nursing Students Information Site on [MyLearn](#), students will obtain access once teaching commences.
