

Session proposal: **Cities and Urban Life**

Organisers: Ilan Wiesel, Natalie Osborne, Naama Blatman

Blurb:

Papers are invited for a series of sessions that explores various dimensions of urban geography, including:

- The social, cultural and more-than-human diversity of cities
- Urban economies and politics
- Cities and global environmental change
- Cities and technological change
- Urban justice and care ethics
- Cities and covid19
- Changing geographies of urban housing and home, work and labour.
- City, Country and settler colonialism

We welcome papers on cities from Australia and other countries.
