### **Institute of Australian Geographers Equity Reference Group: Welcoming equity ‘bok bok’, yarns and chatter**

*Organisers: Michele Lobo, Andrew Gorman-Murray, Souvik Lal Chakraborty, Lisa Stafford, Wenjing Zhang and Miri (Margaret) Raven*

We welcome students, academics, professional staff including those in positions of leadership in Geography (study group convenors and departments) to mobilise empathy, thought and action in exploring equity, inclusion and diversity issues. Your ideas in this roundtable will play a key role in the development of the IAG’s equity, inclusion and diversity strategy. This session is also an opportunity to meet new members of the Institute of Australian Geographers Equity Reference Group.

Please contact [Michele.Lobo@deakin.edu.au](mailto:Michele.Lobo@deakin.edu.au) and Souvik Chakraborty [souvik.chakraborty@monash.edu](mailto:souvik.chakraborty@monash.edu) to register your interest or just come along!
