Welcome to the University of New England in Armidale, New South Wales, Australia. UNE is one of Australia's oldest universities and has an international reputation for providing high quality programs for students from all over the world. It is also an official IELTS Testing Centre.

Armidale is situated half way between Sydney and Brisbane, and approximately two hours from the east coast of New South Wales. It is renowned for its four seasons with mild Summers, a magnificent display in the Autumn months, crisp Winters and colourful Springs.

Armidale is unique, with a blend of culture, state-of-the-art technology, educational diversity and natural beauty. It offers a wide range of activities, cultural centres, shopping, restaurants and cafes.

UNE English Language Centre Study Tours offer you:

- the opportunity to study and practice your English continually during your stay
- a safe and friendly environment both on campus and in homestay
- Experienced Study Tour Co-ordinators and teachers who understand the needs of participants while staying in Australia
- 24 hour support from UNE members of staff

Homestay

In addition to on-campus accommodation, UNE English Language Centre offers homestay. Homestay allows participants to experience the Australian way of life in Armidale's friendly community as well as providing the best environment in which to learn native-speaker English. The experience of living with an Australian family results in many students and homestay families regularly keeping in contact with each other, years after their program has ended. All homestay families are carefully screened and interviewed in their homes by UNE International Services staff and all family members are required to complete a yearly Federal police check.
Program Design and Costs

Our programs are customised to the specific requirements of our participants. The costs depend on the content of each program. Study tours can take place at any time of the year and can be from two to eight weeks duration. Program fees include:
