

Expression of Interest for Post Doctoral Researchers

The Faculty of Science, Agriculture, Business and Law offers research projects across the range of disciplines that are outlined below. Our research is in high demand and with an outstanding international reputation. The University supports its research through the UNE Post Doctorate Research Fellowship scheme ([please click here](#)) that is an open call process. Please complete this form in full to allow us to assess your eligibility and identify potential research supervisors. Incomplete forms will not be considered. You may be asked to present evidence of your qualifications and skills.
