

## Specific Requirements for Professional Experience EDEC341: Growing Up Children: PrEx 10 days

**This professional experience placement is a 10-day block professional experience with children aged birth up to 24 months.**

In addition to the generic professional experience requirements, this unit also has a number of specific requirements.

Timetable for Professional Experience	Tasks
<p><b>Prior to beginning your professional experience</b></p>	<p><b>NOTE: Some tasks are required for Assignment 2 and some to demonstrate you meet the requirements of the placement itself.</b></p> <p>Prepare a 1-page handout for parents and staff explaining why the early years are important, the role of the relationship between parents/educators and very young children in these early years and some simple ideas of how to build positive relationships with very young children.</p> <p>Keep your handout simple, clear and easy to follow. Your handout may have around 200 words (or less) and you are encouraged to use pictures (but remember you must provide evidence of consent for photos) and diagrams/drawings as appropriate</p>
<p><b>Day 1 of professional experience</b></p>	<p>Introduce yourself to the staff in the room and give them a copy of Assignment 2 (if you have managed a visit BEFORE your professional experience started, you might be able to do this task then).</p> <p><i>Assignment 2:</i> Ask for a time to discuss with the staff what you need to do for the assignment. Give all staff the handout you have prepared.</p> <p>Check if your supervising teacher has received documents via email from the Office for Professional Learning (OPL).</p> <p>Introduce yourself to the parents as they bring their children to the service.</p> <p>Spend time with each of the children in the group – learn each child’s name and something about each one of them. Begin to develop a strengths/interests profile for each child. Continue to add to this each day of your professional experience.</p> <p>Familiarise yourself with the routines of the group – what happens, when and why.</p> <p>Ensure you have consent forms ready for completion on the first day. Available from the ECEC Moodle site (not the PREXUS site)</p> <p>Decide which child you would like to focus on for Assignment 2. At home in the evening prepare the appropriate consent forms so they are ready for Day 2.</p> <p>Write in your <i>Reflective Learning Journal</i>.</p>

<p><b>Day 2 of professional experience</b></p>	<p><i>Assignment 2:</i> Greet the parent(s)/guardian(s) of your chosen focus child and explain what you want to do for your assignment. Give them the information letter and consent form. Ask if they need time to think about it. Give the chosen staff member the relevant the information letter and consent form. Ask if s/he needs time to think about it. If you have obtained written consent from parent(s) and staff, begin your observations of the child’s interactions with the chosen staff member.</p> <p>Participate in all the routines of the day – making sure that you undertake at least 2 nappy changes, support children’s eating, drinking and sleeping.</p> <p>Make sure you interact with each child individually at some point during the day. Use the techniques discussed in your textbook to build a positive relationship with each child. Reflect on these in your <i>Reflective Learning Journal</i>.</p> <p>Continue to build the strengths/interests profile for each child in the group. For at least 2 of the children, think about how you could use these interests to create an opportunity to extend learning. Jot down your ideas in your <i>Reflective Learning Journal</i>.</p> <p>Write in your <i>Reflective Learning Journal</i>.</p>
<p><b>Days 3 to 5 of professional experience</b></p>	<p><i>Assignment 2:</i> You must have your approvals by this point to undertake your observations of your focus child. By the end of this week you should have completed 3 written anecdotal observations of the child’s interactions with the selected staff member, and 3 written anecdotal observations of the child’s interactions with the selected parent/guardian. Think about the opportunities you see in the early childhood environment that could be used to support ongoing positive relationships between parent/child and between educator/child.</p> <p>Continue to participate in all the routines and activities of the day.</p> <p>Make sure you interact with each child individually at some point during the day. Use the techniques discussed in your textbook to build a positive relationship with each child. Reflect on these in your <i>Reflective Learning Journal</i>.</p> <p>Continue to build the strengths/interests profile for each child in the group.</p> <p>Each day, select 2 different children (not the children who are the focus of your assignment) and think about how you could use their interests to create an opportunity to extend learning. Share your ideas with the staff in the room and get their feedback. What could work and why? What might not work and why? Ask permission to try out some of your ideas. Record this in your <i>Reflective Learning Journal</i> each night.</p> <p>Write in your <i>Reflective Learning Journal</i>.</p>
<p><b>Day 5 of professional experience</b></p>	<p>Review your <i>Interim Report</i> (contained within the <i>Professional Experience Report</i>) with your supervisor.</p> <p><b>NOTE:</b> This is a requirement for your placement and is <b>NOT</b> a component of Assignment 2</p>
<p><b>Days 5-10 of professional experience</b></p>	<p><i>Assignment 2:</i> Make a time with the parent(s) of your target child for a 15-minute conversation. Explain the purpose of the conversation. In this conversation you will:</p> <p>Share the handout you prepared and explain the material in it.</p>

	<p>Discuss your observations (parent/child only) and the story they have to tell about the relationship. Make sure you do NOT make any judgments about the relationship. Discuss the opportunities you see available in the care environment that could be used to support ongoing positive relationships between parent/child. Obtain parent feedback.
