

EDEC207 Assignment - Statement of Ethics

[This page MUST be completed and included as an Appendix in Assignment 2]

I have obtained the following consents for my assignment:

	Consent from parent/guardian of child in observation setting
	Consent from parent/guardian of child in observation setting
	Consent from parent/guardian of child in observation setting

Add more rows as necessary to acknowledge that each child involved in the observation has signed consent.

I confirm that I took every measure possible to ensure the welfare and wellbeing of those involved in my observations. It was/was not necessary to cease observations because of any concerns.

If you needed to cease observations because of concerns please explain briefly what happened, and what you did to alleviate the situation.

I confirm that the signed consent forms are securely stored at the Centre.

I confirm that I will destroy the consent forms upon receipt of my final mark for the unit.

I confirm that I have kept the identity of my participants confidential.
