About Korean Folktale

☞ In most Korean folktales, there are some characters such as God, monsters, angels and animals that speak.

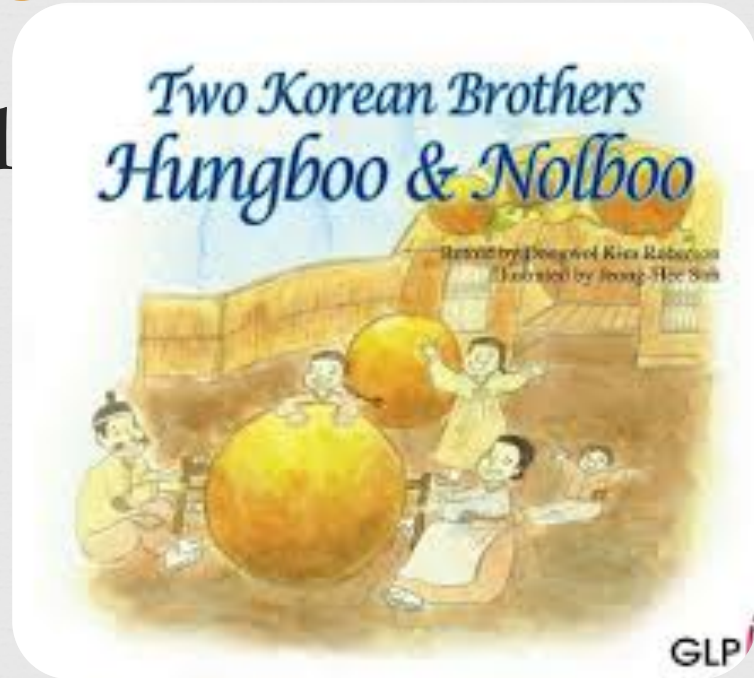

They reward good people and punish bad people

About Korean Folktale

❧ Korean folk tales are mostly about good life lessons. We can see this in “Heungbu & Nolbu”, the story about two brothers.

Heungbu & Nolbu

The younger brother who was as good and poor became rich after he healed the sick sparrow.

However, the older brother who was bad and rich became poor after he broke the sparrow's leg on purpose.

Play:
Golden ax
and Silver ax
